## Education

Bachelor of Science in Computer Science |  
Ramakrishana Mission Vivekananda College |  
Chennai, Tamil Nadu | 2019

**Certification:** Next.js complete course (Udemy)

## Summary

Passionate and highly skilled UI Developer with close to 2 years of experience in creating visually stunning and user-friendly web and mobile interfaces. Proficient in front-end technologies such as HTML, CSS, JavaScript, and react.js. Dedicated to delivering pixel-perfect designs and exceptional user experiences. Seeking to contribute my expertise to a dynamic team and drive innovation in UI development

## Skill Highlights

- Front-end Technologies: HTML5, CSS3, JavaScript (ES6+), Typescript
- UI Frameworks: React.js, Next JS
- Responsive Web Design: Media Queries, Flexbox, CSS Grid
- Version Control: Git
- Package Managers: npm, Yarn
- Build Tools: Webpack, Babel
- UI Testing: Jest and React Testing library
- State management: Redux Toolkit
- React Component Libraries: Material UI
- Web Accessibility (WCAG) Compliance
- Cross-Browser Compatibility
- Responsive Design Principles

## Experience

**SOFTWARE DEVELOPER | FOCUSCRAFT TECH CHENNAI |  
NOVEMBER 2021 – PRESENT**

- Developed reusable and dynamic UI components and screens using React.js to precisely match provided design specifications.
- Implemented multi-language support through translation for enhanced accessibility and user experience.
- Proficiently utilized Git for source code version management, ensuring seamless collaboration with the development team.
- Enhanced code quality and reliability by implementing comprehensive unit tests and integrating testing for UI components, resulting in increased code coverage.
- Actively engaged in code reviews, actively contributing to the project's overall code quality and ensuring alignment with best practices.
- Collaborated closely with team members to identify and resolve UI-related issues and bugs, ensuring a smooth and error-free user experience.
